easyread.tech

Better access to information
and inclusion for all.

We collaborate with organisations
to create inclusive and accessible
content, designs and resources.

ABOUT US

easyread.tech is a convenient, all-in-one resource that can support your organisation to develop high-quality, inclusive and accessible information for people with disability and culturally diverse communities.

Our services include document transformation into Easy Read and Plain English, and a library of high-quality illustrations for your own document transformation.

WHY CHOOSE US

✓ Committed to the betterment of people with disability, low literacy, and those who are culturally diverse.

✓ Original illustrations designed for an Australian context.

✓ Community-informed practice, with close involvement from people with lived experience.

✓ Promoting best practice communications in sectors involving people with vulnerabilities.

✓ South Australian-owned and operated.
